Dear Beloved Friend,

I am happy to know you, but God knows you better and he knows why he has directed me to you at this point in time so do not be afraid. I saw your contact number through a search I did in all Asian Networking Services and foreign trade departments. I am writing this mail to you with heavy sorrow in my heart, my name is Mrs. Aisha M. am contacting you because I don't have any other option than to tell you as I was touched to open up to you, I am married to My husband who worked with Libyan embassy in United States for ten years before he died in the year 2014. we were married for eleven years without a child. He died after a brief illness that lasted for only five days.

Since his death I decided not to remarry again, when my late husband was alive he deposited the sum of \$3.8M, (Three Million Eight Hundred Thousand United States Dollars) in USA Bank presently this money is still in Bank. He made this money available for exportation of gold from Oro East Mining Inc. Recently, my doctor told me that I would not last for the period of two months due to I have been recently diagnosed with Adenocarcinoma Cancer and the doctor said I have less than eight weeks to live.

Whoever that wants to serve god must serve him in spirit and truth because god is the most high; please always be prayerful all through your life.

The one that disturbs me most is my cancer sickness. Having known my condition I decided to hand you over this money and the gold to take care of the less-privileged people, you will utilize this money the way I am going to instruct herein. I want you to take 10% percent of the total money for your personal use while 90% of the money will go to charity" people in the street and helping the orphanage.

I don't have any child that will inherit this money and my husband relatives are not good not even good at all because they are the one that responsible for the death of my late husband in other to have all my late husband properties and I don't want my husband's efforts to be

used by those that conspired for his death. I grew up as an orphan and I don't have anybody as my family member, just to Endeavour that the name of god is maintained, by doing this so that god will forgive you
