Hello, your loan is overdue. Please pay off the loan immediately. I did not see your repayment after 3 hours. I will notify your family and friends as soon as possible, and send your photos and loan information to your family and friends. After paying off the loan today. You can borrow again, and the loan amount will increase to 10000-15000. At the same time, the loan days will increase.

Please read this article carefully, your data is ready. If you do not cooperate well to settle your loan, you will be asked to report more, if you still care, please complete the loan.

After two hours, follow the process and start contacting your family and leaders.

Your loan has expired. Today is your last chance to pay. The system will record fines when you exceed the deadline, and more importantly, we will contact your family and send someone to visit your work unit and family, which will bring damage to your reputation. . At the same time, register the blacklist of the bank, which makes it difficult for you to apply for loans elsewhere. Please be aware of the consequences. If you want to negotiate the payment, please enter
